

Scholarships for international students

The International Merit Scholarship

The International Merit Scholarship scheme provides awards of either **£500** or **£1000** to well-qualified students applying for any full-time Bachelors or Masters course. In some countries we offer a **laptop** alternative that will be handed over to the applicant on registration at Anglia Ruskin University.

Awards are made on the basis of academic merit and level of competence in English language. Once you apply for a course at Anglia Ruskin you will be **automatically considered** for a scholarship, and details of any award given will be included in your Offer letter.
