

ATHE Level 3 Diploma in Business Management

Benefits

The Level 3 University Foundation Programme helps students to either have the opportunity to apply for admission onto a full Undergraduate Degree programme from a range of UK universities or to learn key concepts and a range of management procedures required to work within a business. It has been specifically developed to provide the knowledge required for students to work effectively, both as individuals and in teams within business. Being able to develop good business management skills is crucial for any company.

Upon completion of this course, students will receive an ATHE Level 3 Business Management qualification which is fully regulated by Ofqual UK. Alternatively students can opt to study our Level 4/5 Extended Diploma in Management and then go on to complete a Undergraduate Top Up at a range of UK universities.

The course is made up of 6 modules, MCQ's and 6 written assignments. Each module consists of approximately 40 guided learning hours. The mode is by online distance learning and students will have access to various study resources, such as tutor support and webinars, a social learning forum, and additional materials to help in the completion of their graduate business course.
